## - [1]

Researchers with yearly contracts shall comply with all the policies and procedures established by this document. In addition, though the decision to reappoint researchers rests exclusively with Centro Director, the Director will create an advisory committee of all the researchers with HEO CCE, HEO Associate and HEO, to evaluate the submitted portfolio. This committee will make a recommendation to the Director based on demonstrated contribution to Puerto Rican Studies as a field, and to the mission of the organization.
